

Fuzzy Little Caterpillar

Fuzzy little caterpillar, just crawlin' here and there.
Fuzzy little caterpillar, just inchin' ev'rywhere.
I'd see the world anew if I could crawl around like you.
Oh gee, I'd like to be a fuzzy caterpillar, too.

Fuzzy little caterpillar, your crawlin' days are through.
Fuzzy little caterpillar, it's sleepy time for you,
When you wake up, you'll see somehow you've changed so magic'lly.
Now you're a pretty butterfly! Come, fly away with me.

Pretty little butterfly, come, fly away with me,
Pretty little butterfly, come fly away with me.
